Irrigation Center Seminars at World Ag Expo 2016 Schedule of Events

World Ag Expo Seminar Center (Located on Expo Lane
between "R" and "S" Streets - See Back for Map)

- 10:00 – 10:20 am
Agricultural Activities of the Irrigation Association
John Farner, Irrigation Association
- 10:30 – 10:50 am
AirJection Irrigation Increasing Yields and Water Use Efficiency
John Petrosso, Mazzei Injector Co.
- 11:00 – 11:20 am
Innovations in Sprinkler Packages for Mechanical Move Irrigation Systems
Dan Schueler, Senninger Irrigation
- 11:30 – 11:50 am
Increasing Demand Response Participation Rates in Agricultural Customers: Reducing Crop Irrigation Related Risks During DR Events
George McFadden, Observant
- 12:00 – 12:20 pm
Flow Control Emitters – Optimizing Both Flexibility and Uniformity
Inge Bisconer, Toro Micro-Irrigation
- 12:30 – 12:50 pm
Reversing Yield Loss Through Restoration of Irrigation Efficiency
Chris Binfield, Meras Engineering
- 1:00 – 1:20 pm
Understanding Soil Moisture Sensor Data
Diganta Adhikari, Irrrometer
- 1:30 – 1:50 pm
Utilizing Soil Moisture Monitoring to Schedule Irrigation
Christopher Sullivan, Jain Irrigation
- 2:00 – 2:20 pm
Use of a Cloud-Based Data Management Utility with a Portable Soil Moisture Probe
Doug Kieffer, Spectrum Technologies
- 2:30 – 2:50 pm
Keys to Constructing Efficient Ground Water Production Wells
Kevin McGillicuddy, Roscoe Moss Company
