

Jase Trovao

Stakeholder Engagement Coordinator
Research and Education Division
jtrovao@mail.fresnostate.edu

Jase Trovao is the Stakeholder Engagement Coordinator at California Water Institute. Jase oversees managing calendars, scheduling meetings, and creating meeting minutes for CWI. He is a Fresno State graduate with a major in Mass Communications and Journalism and has ample experience in managing schedules in a fast-paced environment. Outside of CWI, Jase spends his free time watching movies and doing photography.

California Water Institute

Division of Research and Education

The Division connects academia to the water community to solve water management challenges through education and research. To achieve this, the division engages faculty and students in developing interdisciplinary, inclusive, research-based solutions to water challenges for a sustainable water future.
